

GROWTH PLUG

plug into potential

Welcome to Growth Plug!

At Growth Plug, we believe everyone has untapped potential - and we're here to help you plug into it.

grow your income through skills marketing and community building.

The best part? We help you set up your Skool community for FREE - no cost, no hassle.

We walk with you step-by-step until you're confident and earning.

How We Help You Set Up For Free

- Personalized Setup Support: We guide you live or via video on creating your Skool account and setting up your community space.
- Done-for-You Templates: Get access to professionally designed course templates, welcome messages, and community rules.
- Strategy Planning: We help you define your community's goals, target audience, and content calendar.
- Marketing Advice: Learn how to attract your ideal members without paid ads, using organic and social strategies.
- Ongoing Support: Questions? Roadblocks? We're just a message away to assist you anytime.

The Benefits of Working with Growth Plug

- little Risk, 100% Support: You don't pay until you're ready to upgrade your Skool membership - and we support your journey every step.
- Save Time & Avoid Mistakes: Avoid costly trial and error with our proven system.
- Build a Recurring Income: Skool communities enable paid memberships, so you earn consistent revenue.
- Stand Out from Competitors: A strong community builds trust and loyalty around your brand.
- Learn High-Demand Skills: Community management, digital marketing, and affiliate marketing skills that grow your personal brand.

Full Step-by-Step Guide to Building a Skool Community

step 1: Create Your Skool Account

- Go to <https://www.skool.com/signup?ref=75d20e3c13c7417498a4b95b0384810c>

This is our affiliate link, if you sign up through this we may earn a cut paid by skool, not you.

Sign up with your email.

- Choose a community name that reflects your brand or niche.

Step 2: Set Up Your Community Space

- Use our Growth Plug templates to customize your welcome page, categories, and rules.
- Add your branding: logos, colors, and banner images.

Step 3: Create Your First Course or Content Hub

- Upload videos, PDFs, or write lessons relevant to your niche.
- Organize content into modules or weekly lessons.

Step 4: Invite Your First Members

- Start with friends, family, and your existing network.
- Use social media posts and personalized messages to invite your target audience.

Step 5: Engage & Moderate Your Community

- Post regular discussion questions and polls.
- Encourage members to share their stories and ask questions.
- Be responsive and active to build trust.

Step 6: Set Up Paid Memberships

- When ready, enable paid memberships through Skool's simple payment system.
- Offer monthly or yearly plans with exclusive content.

Step 7: Market & Grow Your Community

- Use organic methods: social media, email newsletters, collaborations.
- Share testimonials and success stories.
- Run live events or webinars to attract more members.

Final Tips for Success

- Stay consistent - post and engage daily or weekly.
- Listen to your community's needs and feedback.
- Continuously add value with fresh content.
- Celebrate wins and milestones with your members.
